IN RE: Application of Gentlemen Movers, Inc. to)	ORDER APPROVING
Amend Current Tariff)	AMENDED SCHEDULE
)	OF RATES AND
)	CHARGES

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application filed by Gentlemen Movers, Inc. (“Gentlemen Movers” or the “Company”) for amendments to the Company’s current schedule of charges. The Company presently holds a Class E Certificate of Public Convenience and Necessity (Certificate No. 9756) to transport household goods in South Carolina pursuant to the authority granted by this Commission in Order No. 2006-363 (June 12, 2006) and as amended by Order No. 2006-559 (October 4, 2006).

Upon receipt of Gentlemen Movers’ Application, the Commission’s Clerk’s Office instructed the Company to publish, one time, a Notice of Filing in newspapers of general circulation in the areas of the state affected by the Application. The purpose of the Notice of Filing was to inform interested parties of the Application of Gentlemen Movers and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. The Company complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No protests or Petitions to Intervene were received.

Gentlemen Movers requests approval to modify the Company's tariff for household goods moves by the addition of a ten percent (10%) fuel surcharge and an increase in the charge for oversize items from \$65.00 to \$70.00.

The South Carolina Office of Regulatory Staff (ORS) completed an impact study of the proposed amended tariff of the Company and submitted its findings to the Commission on October 1, 2013 (as corrected by October 29, 2013, filing). As a part of its impact study, the ORS performed a compliance review of Gentlemen Movers and found in its original examination that the Company was not in compliance with certain rules and regulations of the Commission. However, according to ORS in its letter of January 23, 2014, Gentlemen Movers is now in compliance with the applicable rules and regulations.

Having considered the Application, the results of the ORS study, and the resolution of all non-compliance issues, we conclude the tariff amendments proposed by Gentlemen Movers are just and reasonable for its customers and for the Company. Accordingly, the Application of Gentlemen Movers, Inc. for amendments to the Company's current schedule of charges is approved. If it has not already done so prior to receipt of this Order, the Company shall file its complete amended tariff with the Commission and ORS.

This Order shall remain in full force and effect until further order of the Commission.
